Commissioner for Patents

The reply filed on August 16, 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicants failed to elect particular species from among those required in the previous Office action. Please note that although Applicants state in the reply of 8/16/2004 that the claims of the Group III invention are generic, the elections of particular species (as set forth in the previous Office action) are still required. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
